SURVIVALISM
SURVIVALISM

i should have listened to her
so hard to keep control
we kept on eating but our
bloated bellies still not full
she gave us all she had but
we went and took some more
can't seem to shut her legs our
mother nature is a whore

i got my propoganda i got revisionism
i got my violence in high def ultra-realism
all a part of this great nation
i got my fist i got my plan i got survivalism

hypnotic sound of sirens
echoing through the street
the cocking of the rifles
the marching of the feet
you see your world on fire
don't try to act surprised
we did just what you told us
lost our faith along the way and found ourselves believing your lies

i got my propoganda i got revisionism
i got my violence in high def ultra-realism
all a part of this great nation
i got my fist i got my plan i got survivalism

all bruised and broken bleeding
she asks to take my hand
i turn and keep on walking
what you'd do the same thing in the circumstance i'm sure you understand

i got my propoganda i got revisionism
i got my violence in high def ultra-realism
all a part of this great nation
i got my fist i got my plan i got survivalism
